LETTER NOT SENT

Hello, this is _____ with the Chicago Reproductive Health Study. I have spoken with (STUDY MAN'S NAME) and would appreciate it if I could speak with you also.

We are conducting a study of fertility of men born at the University of Chicago in the early 1950s. In order to get as complete information as possible, we would like to ask you some questions about your fertility with (STUDY MAN). The interview takes about 20 minutes. Is this a good time?

IF YES: You might be more comfortable in this interview if you use a phone in a quiet location away from other people. Do I need to hold on for you to go to another telephone?

LETTER SENT

Hello, I would like to speak with _____.
This is _____ with the Chicago Reproductive Health Study.

You were recently sent a letter to let you know that someone from our staff would be calling to interview you. We would like to do this interview now by telephone. The interview takes about 20 minutes.

Is this a good time?

IF YES: You might be more comfortable in this interview if you use a phone in a quiet location away from other people. Do I need to hold on for you to go to another phone?

LETTER NOT RECEIVED

First, let me confirm that I have reached the correct person. Is this _____? Do you know (STUDY MAN'S NAME)?

IF YES: Let me make sure we're both talking about the same person. Was the (STUDY MAN'S NAME) you know born in Chicago Lying-In Hospital in 19____?

(YEAR OF BIRTH FROM FACE SHEET)

IF YES: I would like to tell you about our study.
